

Lunch & Enrichment Offerings

2018-2019 School Year

The Paul S.
and Sylvia
Steinberg
Pre-School

Benefits of Our Lunch Program

Monday-Friday > Noon-12:30pm

This 1/2 hour lunch time allows our students a fun lunch experience that extends their day in the Steinberg Pre-School.

Children will remain in their classroom with their classroom teachers and friends. Our teachers know their students well and can best support any food allergies and other needs during this lunchtime experience. This will also allow children to transition easily from class to lunch and then into enrichment classes after lunch.

Wednesdays: We will offer the option of purchasing pizza lunch which is made fresh by our in-house *Circle of Life Catering*.

Our Enrichment Advantage

Monday-Friday > 12:30-1:30pm

We offer the same high-quality enrichment opportunities you might find elsewhere with the convenience of staying in the nurturing environment your children already know in the Steinberg Pre-School.

No pickup and carpooling are necessary to get your child to the next stop in his/her day.

Our class options provide both fun and growth readiness opportunities for our children.

We are thrilled to welcome several outside companies who provide classes in their areas of expertise as well as classes taught by our amazing teachers who have honed and crafted their classes over many years.

**Turn over to learn
about our exciting
Enrichment Classes!**

Our pre-schoolers will have the opportunity to enjoy active, academic and artistic classes that will engage their minds and bodies through the following offerings:

I Wonder 4's

Does your child ever ask you why there are no dinosaurs today, if unicorns are real or how to build a rocket? If so, than this is the class for them!

Phonics 4's

With the hope of encouraging your child's curiosity and love of writing and oral language, we will play letter and word games and do activities to build letter and sound recognition.

Numbers Up 4's

Our "Numbers Up" play based curriculum will teach your child to solve equations and become familiar with patterning and categorization.

Hooray for Hebrew 3's & 4's

Through songs, games, dance and books, your child will learn Hebrew words and sentences! Let the fun begin!

Reading Rockets 4's

Blast off with Reading Rockets! This class will help encourage a love of reading and learning in your preschooler that will last a lifetime...

Kinder Cooks 3's & 4's

Explore your senses! Try something new! We will measure, stir and bake our way to a delicious time together.

Exciting Classes Offered by Outside Vendors for 2018-2019!
